## RE: CERTIFICATION - GMO STATUS

Your application received on 08 May 2018 with regard to the genetic status of barley has reference.

Based on the affidavit received from your office, we hereby certify that the barley is not genetically modified. To date, South Africa has not authorised the commercialization of genetically modified barley.

Please note that this certificate is valid from **16 May 2018 – 16 May 2019**.

Yours sincerely

  
Ms N Mkhonza
